NATIONAL TRUST FOR JERSEY

COASTLINE
CAMPAIGN 2006

Plémont: Last chance to have your say...

Plémont is crowned with the 'blot' that is Pontin's Holiday Camp. There is now a real possibility that the site could be used for residential development. However, not surprisingly many people wish to see this special coastal area safeguarded for future generations and restored to a natural state.

The Plémont Appeal works in two ways: A petition to be presented to the Chief Minister and a public subscription. The public subscription has a target of £5 million and has been broken down to enable everyone in this island to play their part in saving Plémont.

The National Trust for Jersey Coastline Campaign offers a 'once in a lifetime' opportunity to save the Plémont headland, forever, for everyone. With your support, everything is possible! Please act today.

"As Islanders our coastline defines us and as its custodians it is our duty to protect it for those yet to come."

Iris Le Feuvre MBE

"It has fallen to us to right this wrong and keep the cliffs forever free from intrusive development. It is a chance to be seized without hesitation."

*Christopher Scholefield, Chairman,
Save Jersey's Heritage*

"Let us act now for the sake of future generations."

Colin Smith, President, National Trust for Jersey
